

What we build. What we run.

A clear commercial offer — Shopify and Amazon
launched, then managed as one growth system.

● BUILD · \$30,000

● GROW · \$7,500 / MO

ONE-TIME

\$30,000

Two live storefronts. One brand.
Launch-ready.

What \$30k includes

- Custom GRIME Shopify storefront (Online Store 2.0) — homepage, collections, PDPs, core pages
- Parent-first buying journey with modular sections for weekly drops
- Subscriptions + reviews connected and styled on core templates (Recharge + reviews app)
- Email / SMS connected; SEO basics, mobile QA, launch handoff
- Amazon Brand Registry readiness, Brand Store, listings & variations for agreed ASINs
- A+ / Brand Story for hero products + launch measurement baseline

Creative, photography, UGC, and claims stay with GRIME. We build and ship the commerce.

MONTHLY RETAINER

\$7,500 /mo

Maintain, convert, catalogue, and
deploy paid. Ad spend separate.

What \$7,500 / mo includes

- **Shopify** — maintenance, technical support, CRO, merchandising, launch/landing pages, reporting
- **Amazon** — listing health, catalogue ops, search & conversion recommendations, content/promo updates
- **Paid growth** — deploy & optimise Amazon Ads, Meta, and Google as agreed
- One commercial view across Shopify + Amazon (not siloed channel reports)
- GRIME owns creative; Last Mile deploys, tests, and learns against sales outcomes

AT A GLANCE

Simple split.

BUILD · \$30,000

Make it live

- Shopify storefront
- Amazon store + listings
- Core apps connected
- Launch QA & handoff

GROW · \$7,500 / MO

Make it compound

- Site + Amazon ops
- Conversion work
- Paid media deployment
- Monthly reporting
